

Ambrosia

The first time I had this was at a Church Picnic. It was a hit with everyone so I asked Sharron for the recipe. I make it for pot lucks every year with my own twist of course.

2 cans mixed fruit
1 large can of diced pineapple
2 cans mandarin oranges
½ jar of maraschino cherries sliced in half.
4 bananas (peeled and sliced)
1 cup frozen blueberries

Drain into jar for juice later and empty fruit into large bowl.

Add:

½ bag of marshmallows'
½ bag of coconut
1 pint of sour cream

Mix everything together adding blueberries last. Lightly toss into salad.
